To Whom It May Concern,

It is with great pleasure that I write a letter of recommendation on behalf of Vladimir Sandin. We have been working with Vladimir on graphic design projects for our company for the past 3 years.

Vladimir is a personable professional and a brilliant graphic designer. His creativity goes well beyond any boundaries. He is very well-versed in both print and online design and is exceptional at creating well-conceived design themes. The quality of his work, organization and attention to details are remarkable.

At all times I have found Vladimir to be a dependable, reliable, hard-working, honest and courteous person. This a solid reflection of his high character.

I am grateful for his skilled contribution to our company and am very confident that he has the intelligence, work ethic and design skills to add value and be a great asset to any organization.

Please do not hesitate to contact me should you require any additional information.

Sincerely,

Valeria Baikoff
