I'm a **Graphic Design Specialist with more than 15 years** of print and web design experience. I am confident that my combination of practical work experience, and the level of professionalism and communication has prepared me for making an immediate contribution in marketing and advertisement. I hope my background and professional approach to business will provide to your business with a highly productive Graphic Designer.

I'm an optimist, passionate about all design aspects; however I prefer strong work planning.

Here are a few key points:

- **Graphic Design Specialist with more than 15 years** of experience in the complete design process, from conceptualization to delivery.
- **12+ years of experience in Real Estate:** Cushman & Wakefield (New York, NY), Kimco Realty Corporation (New York, NY), Connect Commercial Real Estate (Los Angeles, CA), Spectra Design Build (New York, NY).
- **Expert in Adobe Creative Cloud** (Photoshop, Illustrator, InDesign, Acrobat) and **Microsoft Office** (PowerPoint, Word, Outlook). **Expert level** in HTML and CSS.
- **Proficient in other publishing and design art software** (Page Maker, QuarkXPress, Corel), **web design** applications (Dreamweaver, WordPress), **email marketing services** (Salesforce Marketing Cloud, Constant Contact, Mailchimp, Bronto).
- **5+ years' experience** in social media marketing.
- Able to stretch the boundaries of design and digital storytelling to help client brands stand out.
- **Expert in high quality photo processing:** editing, retouching, color correction, and compositing.
