I have more than 15 years of print and web design experience. I am confident that my combination of practical work experience, and the level of professionalism and communication has prepared me for making an immediate contribution in marketing and advertisement. I hope my background and professional approach to business will provide to your business with a highly productive Graphic Designer.

I'm an optimist, passionate about all design aspects; however I prefer strong work planning.

Here are a few key points:

- Graphic Design Specialist with 15+ years of experience in complete design process, from conceptualization to delivery.
- Proficient in Adobe Creative Cloud (*Photoshop, Illustrator, InDesign, Acrobat*), publishing and art software (*Pagemaker, QuarkXPress, Corel*), web design applications (*Dreamweaver, WordPress*), email marketing services (*Salesforce Marketing Cloud (former ExactTarget), Constant Contact, Mailchimp, Bronto*), and Microsoft Office (*Word, PowerPoint, Excel*).
- 5+ years' experience in [social media marketing](#).
- Able to stretch the boundaries of design and digital storytelling to help client brands stand out.
- Big experience with high quality [photo manipulation](#): editing, retouching, color correction, compositing.
